Dear Brian,
I guess I must have done the original answer sheet on a different computer
because I can't find it on my home computer.
I have prepared another for you. I really have no idea how my father
handed the business. He was not very open about it.
Sorry I can't be of more help.
Barbara

1. I have no knowledge of ever being named as an officer of Clearview Land Development Co. If I was listed as such it was done by my father, without my knowledge.
2. I have never participated in the operation or management of Clearview Land Development Co.
3. Since my father died without a will, I had no knowledge of being an heir to any part of Clearview Land Development Co.
4. I do not know who the current listed shareholders of that company are.
5. I have never paid real estate or any other taxes on the property owned by Clearview Land Dev. Co
6. The answer to this question is unknown to me.
